Dear Mr Jones

Further to your letter dated 22/4/2020 I have cancelled my council tax dds on

66 - SA11 5BA and 32- SA11 3LB

because of its failure to observe its purpose.

Neath Port Talbot County Borough Council exists to serve and represent the interests of its citizens and communities. We strive to improve the economic, social, environmental and cultural well-being of all of our people.

you can find more information on this website:

My family have been exposed to carcinogens as a result of the negligent actions of your planning department.

I appreciate that your department will chase me for the money so would appreciate it if you could email me your SOPs for this. However please note that I have evidence that the council has failed to observe its purpose as referenced in the Corporate Plan 2019-22 so will seek retribution / compensation post settlement/agreement should you do so.
