Subject: cancellation of council tax direct debits

Further to the planning departments and county councillors Simon Knoyle and Del Morgan refusal to provide pertinent information about a planning application, as promised to the planning department, I have cancelled the direct debits on my properties in Neath Port Talbot. Please remove these from your system.

66 Brynhyfryd, SA11 5BA
38 Llantwit Rd SA11 3LB

It should also be noted that if the planning department are unable to function, the website is broken and county councillors only offer people the option to object to a planning application via the website then they should all be furloughed.

I will be placing the money into a separate account to cover my legal costs against the council, if the council agree not to proceed legally against me then I will donate the money to the families of NHS workers who are in need of support once the COVID-19 outbreak is over. I will be happy to negotiate a portion of this money for essential services such as refuse collection.
